Robert Akers
MainePPA
President

Hello fellow members and friends,

Welcome to the Maine Professional Photographers Association Convention and Print Exhibition of 2009. We have gone all out this year and you are in for a treat. Our speakers will be covering many of the areas of photography you need to help your business grow. The Business of Photography is more important than ever. Putting together a work flow that makes the best use of your time is one topic I am very interested in, but we will also be discussing the creative and technical sides of our craft. All of our speakers are down to earth professionals who are successful and have no secrets. You will be amazed.

Another part of the convention I think you will enjoy is our hospitality room. We put this together because our greatest resource is our members. The more time we spend talking and sharing with our fellow photographers, the more fun we have!

I could go on and on about all the great things going on this year but really that is what this book is all about. So read through it and get ready for the time of your life.

Thank you for being part of this great organization.

ART in E-M

Craig Kienast

Craig has been involved in photography since 1985, but had been frustrated with his art and digital medium!

or more aptly a rocket pack!*

Craig's style can be described as Edgy, Ethereal, and Creative. He has a passion for capturing beauty in a way that has an

Beauty in the human form, and beauty in nature, and with a great love of the visual

marketing techniques he's used to create a philosophy on senior's, weddings and corporate program, he will photograph several of the digital medium.

Linda Pattillo

Maine wedding photographer David Murray combines the exciting cutting edge style of wedding photojournalism with the art of classic portrait and chic fashion photography. With years of photojournalism experience covering news, and corporate and fashion events around the globe, David knows how to capture the defining moments – big and small.

David has been named one of the top Five Wedding Photojournalists in the World by the International Wedding Photojournalists Association for his work.

In over twenty years, as a photojournalist, he has photographed three sitting U. S. presidents, a pope and countless newsmakers from fashion models to world leaders. He has travelled the world and is fluent in French.

Linda, co-owner of David Murray Weddings, is a former television correspondent for both ABC News and CNN. She received two National Emmy nominations, the prestigious Peabody award, a Columbia-DuPont award and the Edward R. Murrow award. MPPA Scholarship Fund

The Maine Professional Photographers Association

Scholarship fund is a suitable way to honor and remember

colleagues and friends who have passed away. The MPPA

established a fund for the purpose of providing educational

assistance to those who are active members. It is a wonderful

way for eligible members to improve their knowledge and skill

and to make their contributions to the advancement of the

photography profession. Consider donating to a worthy cause.

“Antie” or just to say “We’ll never forget you.”

Please consider adding the MPPA Scholarship fund

to your will. Donations may be made payable to:
