The MPPA Presidents Cup was established to recognize the talent, technical skills and abilities of Maine Photographers. It is an award that can be earned only by showing that talent by continually entering print competition over a period of at least 4 and not more than 6 years. From beginning to end the member/maker must create, expose, print and do all work on the image including any artwork, retouching, mounting or enhancement.

Don Chick is a Certified Professional Photographer and has received both the Master of Photography and Photographic Craftsman degrees from PPA. He has also earned the Distinguished Colleague of Photography degree from the NH Professional Photographer Association. Don has won many awards in NH including NHPPA Photographer-of-the-Year, Best of Show, numerous Courts of Honor and several Kodak Gallery awards. He is a Product Tester and Technical Advisor for PPA and has written many articles for the PPA magazine. Don has lectured to professional photographers around New England and though out the country as well as being invited to judge their images for print competition. Don is a Past President of NHPPA. He and his wife Sandy operate their studio in East Rochester, NH.

Ed Pedi

Photography inspired him to open his studio in 2002. He worked on a part-time basis for many years, photographing children, families, etc. In 1998, he took a leap and away from a secure job with the US Postal Service (surrendering his pension) to pursue a full-time career in his beloved, Photography. He remembers on a cold day in 1998, while driving through the snow, seeing a PPANE passing a billboard sign that spoke to him. It said, "Never too old to be what you always wanted to be." That day Ed realized it was time to make the transition from part-time to full-time, and the rest is history.

Today, together with his wife Linda, Ed Pedi Photography has blossomed into one of the most successful portrait studios in Mass.

Ed has won numerous awards including Kodak Gallery, Fuji Masterpiece and Court of Honor Awards. He received the PPA Photographer of the year Gold Award at the recent 2010 National Convention. Ed Pedi Sponsored by Millers Professional Imaging

# Nylora Bruleigh CPP

## *Bellies and Babies*

**Nylora Bruleigh, CPP**, is the owner and sole photographer of Bellies and Babies Portrait Studio. She has been a photographer for 11 years, however, for the past 6 ½ years, she has specialized solely in prenatal and early childhood portraiture.

The opportunity literally knocked on her door and she was smart enough to see what it was and run with it! She is still the only professional photographer in her area offering this as a specialty. Nylora loves sharing her ideas on how to get women interested in feeling the **need** to have these portraits created as an heirloom! She truly believes it is something that every woman should celebrate in this time of their lives and she is going to show you how she gets them in the door and how she keeps them for the first year of their baby's lives – and beyond!

She just completed her term serving as President of the New Hampshire PPA

Combat Wedding Photography

Combat veteran and professional  
Hutchison served a year in Iraq in 2006 –  
life during the most violent period of Iraq?

Drawing on his background as an anthropologist, journalist and reserve army special operations officer, Hutchison developed new approaches to photographing and interviewing soldiers and civilians in Balad, Baghdad, Baqubah, Tikrit, Kirkirk, Mosul and other hot spots of the Iraq War. Returning home, he applied his techniques to wedding photography.

“At first, combat and wedding photography might seem worlds apart,” Hutchison says. “But in reality, wedding photography benefits from adapting combat camera techniques learned in foreign cultures under fire.”

In addition to professional photography, Hutchison worked as a television journalist, a national radio host and producer on public radio, an historic archeologist and culture historian. James Churchill Surviving In Today's Economy Sponsored By ACI

James Churchill M.Photog.Cr,  
CPP Surviving In Today's  
Economy

As a man inspired by fine art, not just beyond the tangible in his craft but has pursued his entire life. Jim lives in a small town Maine, where his beginnings serve as a reminder

Growing up surrounded by a beautiful coastal panorama and inspired by a plethora of scenic overtures; he refined the qualities that shine through in his artwork today. Jim's passion for taking pictures began in high school and continued into the service, where he served his country for six years in the United States Army. "Can Not" have never been words in his vocabulary. Jim's strong conviction that he can accomplish what he sets his mind to has served him well. He began entering in his first print competitions in 1996. Jim's journey to achieving the esteemed title, Master of Photography was completed in 2001 and Craftsman Degree in 2002. Jim has had numerous images accepted into the PPA Loan Collection, Showcase Collection and the ASP Traveling Loan collection. Jim's images have also been displayed at the Imaging Korea Convention. Taking a closer look at Jim's work reveals an ominous quality that is not immediately apparent to the viewer. Often times dark and provocative, these qualities, he feels, engage his clients to study, ponder, and reflect upon his art. Memory haunting in its style, his black and white fine art portraiture is the reason he is so often sought after. It is his belief that if you give people what they want, they will come back for more. It's this conviction that continues to spill over into his vivacious personality and carry the imprint of greatness in his work. Saturday January 30, 2009

 MPPA Scholarship Fund The Maine Professional  
 Photographers Association Scholarship fund is a suitable way to  
 honor and remember colleagues and friends who have passed  
 away. The MPPA established a fund for the purpose of providing  
 educational assistance to those who are active members. It is a  
 wonderful way for eligible members to improve their knowledge  
 and skill and to make their contributions to the advancement of  
 the photography profession. Consider donating to a worthy  
 cause. In lieu of or just to say "We'll never forget you." Please  
 consider adding the MPPA Scholarship fund to your will.  
 Donations may be made payable to: MPPA SCHOLARSHIP
