Message from our President

Welcome to the 68th Annual Maine Photographic Exposition & Convention! As my year as your President comes to a close I find myself reflecting on all of the pivotal moments that brought me here. I am so very grateful for the opportunities and experience these past 12 years as a member and 7 years serving on the MPPA Board has brought me.

I would like to thank the incredible team of people that make up the Board of Directors and Committees of the MPPA - as well as the members - for your support and your friendships. Without this great association, and each of YOU, I wouldn't be the person or the photographer that I am today. Those of you in the MPPA (and PPANE) are like family to me and you will always hold a special place in my heart.

Crystal Reynolds
MPPA President
2016-2017

This convention is going to be so much fun and I am so excited! Jordan Brittlely will lead a Pre-Con stylized wedding shoot on Thursday. She will then be back on day one of convention to cover Online Marketing along with Kay Eskridge on the Business of Boudoir and Richard Hydren with Real Estate Photography. And don't forget to join us at the end of the day for our St. Patrick's Day party in the hospitality suite! Day two brings us our Image Competition and you won't want to miss any of the fun to be had in Club 79! Ken Sklute will also share his insights on Pre-Visualization. Be sure to say hello and thank you to all of our vendors and sponsors at the Trade Show as well... without their support our convention just wouldn't be the same. Convention wraps up on day three with Kirk Voclair and his Cool Senior Portraits program followed by our annual Awards Banquet.

I encourage all of you to make new friends and connections, especially while at convention. I wouldn't have remained active in the MPPA myself and found the many, many friends amongst you without those first few fellow members that included me right away with their warm welcomes. Be a mentor for someone new to the MPPA. Take advantage of the stepping stones and turns in the path that will lead you to the future you. Step out of your comfort zone and volunteer your time on a committee. The MPPA needs all of you!

Be inspired and be the inspiration. Make this the year, to make a difference. Thank you.

Your President & friend,

MPPA Purpose

www.maineppa.com | Like us on Facebook!

The Maine Professional Photographers Association is an affiliate of the Professional Photographers of America (PPA), the largest organized body of professional photographers in North America. We are dedicated to the promotion and support of the professional photography industry in Maine through education, networking, professional credentialing and the pursuit of excellence in craftsmanship and artistry.

Networking: The MPPA offers an opportunity to network with fellow professionals to receive and give information that is critical to the success of a photographic business, in any economy. Our network also provides a forum to meet new people, exchange ideas, and share our common love of photography.

Education: Each year, the MPPA invites nationally recognized industry experts, who are leaders in their field, to conduct workshops and lectures for our members in the wedding, portrait, and commercial communities.

Marketing: The MPPA helps to market their members and put them in touch with clients who are seeking professional photographers. Every MPPA member has a profile on our website that includes their contact info, a link to their photography website, and sample portfolio images. Additionally, the MPPA website offers potential clients the ability to search for photographers by name, or by specialty, further increasing the chances they will be found.

Professional Credentials: The MPPA offers its members the unique opportunity to earn professional credits and merits within the Professional Photographers of America. Merits can be earned through service, education and by demonstrating photographic skill through print competition. Many merits earned in the MPPA can help contribute to national recognition and honors from the Professional Photographers of America, including Master of Photography, and Photographic Craftsmen.

James Clark Scholarship

James Clark was one of MPPA's founding fathers in 1948. He was an active member and mentor to many for over 55 years. Jim taught many classes on photography and the business of photography. He firmly believed in continuing education to remain competitive and competent.

A scholarship was established several years ago in Jim's honor. It is a \$500 scholarship for attendance to our affiliate school, the New England Institute of Professional Photography (NEIPP). It is administered by Trish Logan (Chairman), Harvey Bell, Jim Walker, Christal Treadwell, and the current and immediate past Presidents of the MPPA.

Deadline is June 30th of each year. Apply for this scholarship online at: www.maineppa.com/scholarships.

MPPA Scholarship Fund

The MPPA Scholarship Fund is a suitable way to honor and remember colleagues and friends who have passed away. The MPPA established a fund for the purpose of providing educational assistance to those who are active members. It is a wonderful way for eligible members to improve their knowledge and skill, and to make their contributions to the advancement of the photography profession. Please consider donating to this worthy cause by adding the MPPA Scholarship Fund to your will or as a gift "In lieu of" just to say "We'll never forget you." The fund will be awarding three \$500 scholarships to NEIPP this year at Sunday's banquet.

Donations may be made payable to:
MPPA SCHOLARSHIP FUND c/o Trish Logan
39 Main St, Suite 2
Norway, Maine 04268, 207-739-2805

The Trish Logan Legacy Scholarship was established in 2014 by MPPA Board Member Trish Logan as part of her on-going Legacy Project. Logan's Legacy Projects have included, funding and donations to the Maine Cancer Community, the Special Olympics, Project Grad, School Districts and Students throughout the state of Maine, and now the Maine Professional Photographers Scholarship Fund.

This scholarship was created by Trish with the idea of paying it forward and supporting fellow MPPA members in their pursuit of continuing education. As a recipient of MPPA's James Clark Scholarship in her first year of membership, Trish was able to attend the New England Institute for Professional Photography (NEIPP) and see first-hand the importance of supporting an affiliate school in New England. With that in mind, she wished to encourage members already established in business to continue their educational growth as well as challenge them to personally give support to the MPPA Scholarship Fund for future generations.

The Trish Logan Legacy Scholarship is a \$500 scholarship to be used for attendance to the New England Institute of Professional Photography (NEIPP). This scholarship may be applied for by any MPPA member that has been in business over five years.

Apply for both the James Clark Scholarship and the Trish Logan Legacy Scholarship online at:
www.maineppa.com/scholarships.
The deadline is June 30th of each year.
